

## Events during the ESSAS OSM

**Icebreaker:** 19:30-22:30 Monday, 12 June

The Icebreaker takes place at the **Polaria**, the world's most northerly aquarium. It is located just under 1 km from the meeting venue at the Radisson Blu Hotel and is about a 15-minute walk away. A map will be provided at the meeting. Its striking design architecture represents ice floes that have been pressed up on land by the rough seas of the Arctic. Participants will be able to walk through the Polaria to view the aquarium and displays. Food will be supplied along with 2 drink tickets per participant that will be provided in the meeting bag you will receive upon registering.

This event is being sponsored by the FRAM Center.

**Poster Session:** 18:00-21:00 Tuesday, 13 June

The poster session takes place at the Radisson Blu hotel outside of the meeting rooms. Those displaying the posters will be on hand to talk about their posters and answer any questions. Arctic Finger foods will be provided along with 2 drink tickets per person for wine, beer, or soda.

This event is being sponsored by ESSAS.

**Hella Event:** Cost is 800 NoK and is limited to the first 120 people who sign up. The bus leaves the Radisson Blu Hotel at 19:30 and returns at 23:00 on Wednesday, 14 June.

Don't miss this unique evening at Hella, on the island of Kvaløya, 30 minutes outside of Tromsø. It will give you a chance to see some of the beautiful scenery around Tromsø. There are historic buildings that were relocated from Tromsø to Hella which you can view, and it is possible to walk along the coast or up to the nearby hill summit. A North-Norwegian buffet will be served and 2 free drink tickets per person will be provided.

This cost of this event is being subsidized by the FRAM Center.
